To split a 3-Way Chat or switch between callers Call Wait

Anything else I need to know?

3-Way Chat is available to use on your phone now. While you are in a 3-Way Chat your Call Waiting will not work, but, if set, your Call Forward Immediate or Busy will still work.

Usage and call charges apply.

Call Back

Have your call completed when the phone number you are calling becomes free.

Anything else I need to know?

Call Back is available to use on your phone now. The busy destination will be monitored for 45 minutes. Call Back will not work for all calls, eg calls to some business numbers, Operator Assisted Services and international destinations and to phones on some other carriers' networks.

A maximum of five Call Back calls can be arranged at any one time. Call Back requires a tone phone, preferably with distinctive ring capability.

Usage and call charges apply.
