?? Class Cassettes (2)	\$TBA
?? Class CDs (2)	\$TBA

Objective PET

Lower Intermediate

Objective Pet is an exciting new course specially written for the updated PET examination (to be introduced in March 2004). Like the other titles in the Objective series, it combines thorough and systematic exam preparation while improving students' overall language level. The course is written by experienced examiners who combine an easy-to-use approach with personalised, student centred material. Its stimulating activities and articles will particularly appeal to young adults.

The Teacher's Book includes a bank of supplementary photocopiable material, including games, quizzes and tests. The Workbook (available with or without answer) provides further practice of the language covered.

COMPONENTS

?? Student's Book	\$49.95
?? Teacher's Book	\$40.50
?? Cassettes (2)	\$49.95
?? Workbook	\$24.95
?? Workbook with answers	\$27.50

PET Gold Exam Maximiser

The ideal solution for short, intensive courses! A unique combination of Student's Book and Exam Handbook in full colour. Thorough exam training and language practice run parallel with practical tips, strategies and learner training to build confidence. Everything you need for the exam including full coverage of the PET grammar syllabus, key topics and writing

Focused preparation for the speaking test, plus reinforcement of basic skills for reading and writing

A complete practice test at the end of the book allows timed practice of the exam. See also *Going for Gold – Intermediate*.

?? Class Cassette	\$TBA
?? Class Audio CD	\$29.95
?? Workbook with answers & audio CD	\$29.95
?? Wbk without answers & audio CD	\$35.00

Ready for PET New Edition

Ready for PET is a short course ideal for students planning to take the Cambridge PET exam. Ready for PET will help intermediate level students prepare for the Cambridge Preliminary English Test. Its 10 topic-based units guide students through interesting and structured lessons which help them to develop the skills and confidence needed to pass the PET exam.

Ready for PET looks at all four parts of the exam: Reading and Writing Listening and Speaking and gives students comprehensive advice on, and extensive practice in, all parts of the test. Throughout the book there are help sections giving advice on how best to approach all aspects of the exam: reading tips, techniques on how to cope with listening activities and ways to tackle speaking.

For students not studying in a PET exam class, this book is the perfect supplement to a general course. With two complete practice tests and fully comprehensive answer key, students studying alone have all they need.

COMPONENTS

?? Student's Book (With key)	\$39.60
?? Student's Book (Without key)	\$39.60
?? Teacher's Book	\$37.95
?? Cassette	\$59.40

B First Certificate in English (FCE)

Ready for First Certificate

A new and exciting course to help your students pass the First Certificate Exam. Ready for First Certificate consists of 15 topic-based units aimed at training students to become confident, independent learners ready to pass the First Certificate Exam. Throughout each unit there is a wide range of interesting and motivating reading texts, listening tasks, speaking activities and vocabulary development as well as extensive writing practice, with a range of model answers. The review section at the end of each unit contains many exam-style exercises.

Central to Ready for First Certificate is a systematic approach to vocabulary development with a word formation syllabus, phrasal verb focus and useful expressions taught in context. Students are taught how to expand their vocabulary and learn how to build up new words. "How to go about" it and "Don't forget" boxes give detailed advice and help on how to approach each part of the exam as well as hints on what to expect in the exam and how to tackle FCE tasks. In addition to the main units there are five supplementary units, one for each paper in the exam. These focus on techniques for dealing with the actual exam and give students plenty of advice on what to do when answering an FCE question.

The Workbook includes:

Extra reading texts
Extra grammar practice
Extra vocabulary to expand what is already in the **Coursebook**.
Extra writing practice

The Teacher's book includes:

Complete answer key and tapescripts
Suggestions on how to use the material in class
Sample answers for writing tasks with marks and comments
Photocopiable vocabulary exercises
Photocopiable practice tests
Advice on coping with exam tasks

The CD-ROM

Can be used by students at home
Complete Use of English papers with optional hints and feedback
Complete listening papers with optional hints and feedback
Fun activities to practice and develop vocabulary.

Rising Star

Rising Star is a lively two-level course that bridges the gap between intermediate level and an FCE course. It introduces students to the exam through carefully graded FCE-type and motivates them to learn through stimulating and up-to-date material.

The Student's Book has 15 topic-based units which are divided into manageable sections to make it easy to use for both the teacher and students. Each unit covers one of a wide variety of interesting topics chosen to appeal to teenage learners.

The comprehensive grammar syllabus is made clear through presentation boxes and followed by systematic controlled and freer practice vocabulary sections expand students' knowledge, with

special attention given to word formation, collocations and phrasal verbs.

Reading and listening skills are practised and developed through graded FCE tasks. The lively speaking sections include useful language boxes that help stimulate and support oral production.

Students are given special guidance to take them through the writing process with staged tasks, model answers and useful language boxes.

The reference section includes a grammar reference section set out in an easy-to-use table format, a writing reference section and a phrasal verb dictionary.
