An Introduction to Modern Japanese Gives the reader a good foundation in modern Japanese, sufficient to handle everyday conversation as well as discussions with special interest to the reader. Teaches both polite and familiar language, and how to write in kanji and kana. Contains 30 graded lessons with dialogues, explanations, drills, reading and aural comprehension, pronunciation and writing practices. Explanations give a holistic understanding of words or grammar.	\$79.95	\$59.95
Basic Kanji Book Volume 1 - recommended Introduces 500 basic kanji, which are designed to be studied by the individual. Each kanji has special attention placed on the complicatedness of its design and it's use in Japanese language. Includes practise space and reading comprehension. By introducing kanji as it is used in daily life, the student should find them easier to understand.	\$69.95	\$53.00
Basic Kanji Book Volume 2 - recommended Follows on from <i>Basic Kanji Book 1</i> . By the time the students have memorised these next 500 kanji, they should be able to tackle most newspaper articles. There is room to practise each kanji, compounds, and exercises to consolidate what you have learnt.	\$69.95	\$53.00
Business Japanese II- a second guide to improved communication Divided into lessons based on different business situations. Includes example dialogues, useful phrases and cultural information pertaining to the business situation.	\$42.95	\$30.00

Fun With Hiragana Workbook A fun method of teaching hiragana by establishing visual and auditory mnemonics. This workbook contains practise space, and includes some simple words and phrases.	\$29.95	\$20.00
Japanese for Busy People II (Book plus 6 cass set) A new, unique approach to effective daily communication in Japanese. Continues on from the first book at a high intermediate level, so both kana are used while kanji continues to be introduced. The aim of this book is to expose the student to vocabulary and grammar that appears in everyday situations without wasting time on impractical language. Each lesson has clear objectives, with new vocabulary and grammar, practise exercises and quizzes. This textbook is accompanied by six 60-minute cassette tapes which contain recordings of the dialogues and exercises, so the learner can model their pronunciation accurately. <i>Exceptional value!</i>	\$250.00	\$201.60
Japanese for Communication- Stage 1 Designed for university students starting from scratch, but does not teach kana. Teaches simple greetings, how to ask questions, time, descriptions, ownership, places and talk about city life. Each lesson features dialogues, new vocabulary, grammar and kanji and provides practise activities. There is a vocabulary and grammar index, and a chart of verb conjugations for reference.	\$39.95	\$28.00
Japanese for Communication- Stage 1 Audio Cassettes Set of 5 audio cassettes to go with Level 1	\$99.00	\$75.00
Japanese for Communication- Workbook 1 A companion to the audiocassettes. Contains puzzles to complete on listening to the problems on the tape, based on the Stage 1 book- for example multiple-choice questions, rephrasing sentences heard on the tape, and simple interpretation exercises.	\$13.95	\$9.50
Japanese for Communication - Stage 2 Following the topic of differences between Australian and Japanese culture, it takes the student through different conversation functions, including describing and discussing what's happening, asking when who and how, rules and permission, and explaining reasons. As in the previous book, each lesson introduces new kanji, vocabulary and grammar, and has written practice activities.	\$39.95	\$28.50
Japanese for Communication- Workbook 2 Based around themes and grammar from the main book, this workbook contains exercises to be completed upon listening to the Stage 2 cassette.	\$14.95	\$10.00
Japanese for Communication- Stage 3 Gives the student some more sophisticated situations in which to converse, like applying for scholarships and business language. Each lesson has a set of dialogues, new vocabulary and kanji, activities to test yourself with, and grammar notes. Clearly defined objectives help the student keep their progress in check.	\$39.95	\$28.00
Japanese for Communication- Workbook 3 Contains a series of exercises to be completed while listening to the audiocassettes. Increase your ease at understanding spoken Japanese by listening to authentic Japanese conversation.	\$13.95	\$9.50

<p>Japanese Word Book (Book plus cassette pack) 310 Basic Japanese words and phrases, written in <i>kana and kanji</i> and shown in visual form. Could used as a teaching aid, to help make the most important basic words more understandable through the use of pictures, or, at this special price, simply a colouring book for a child who is studying alone. There is a <i>glossary</i> at the back, and a <i>cassette tape</i> with pronunciations. Also available: Japanese Word Book (Book plus CDROM plus cassette pack) As above but with CDROM. CDROM offers over 300 beautiful colour illustrations reflecting Japanese life and culture. The 300 words offer students of all ages a great beginning to learning Japanese – each word is shown in kanji, katakana, and romaji and can be clicked to show English. The Tic-Tac-Toe and Concentration games motivate the students and take the tedium out of repetitious study. PC or Mac. Cannot be certain that software will work on XP but runs on Windows 3.1 and Windows 95</p>	\$39.95	\$29.95
<p>Kanji 1 2 3 Is a superb complement to <i>The Kanji ABC</i>, the author's earlier book. Kanji 1 2 3 again utilizes the 214 basic strokes or "radicals," in conjunction with previous kanji characters, to construct and explain important ideographs Like those of the Kanji ABC, these 204 ideographs have been determined by Japan's Ministry of Education to be necessary in reading Japanese.</p>	\$29.95	\$20.00
<p>The Kanji A B C The <i>Kanji ABC</i> explains and illustrates the origins and uses of 338 <i>kanji</i>. Designed for self-study, the author uses a visual approach to this subject, sketching the objects and characters from which the written characters are derived.</p>	\$31.95	\$22.00
<p>Kanji Book 300 Kanji, based on the Kanji appearing in the <i>Nagayuma Readers</i>. This is a useful reference book, containing the simplest 300 Kanji, and includes hiragana and katakana. Each entry features correct stroke order, compound words, alternative forms, English glosses, and printed and written comparisons. Kanji can be located by pronunciation or by radical in two indexes at the back of the book.</p>	\$69.95	\$55.00
<p>Kanji connections-Hints on how to differentiate 400 easily confused characters Every student of Japanese language encounters the problem of similar-looking kanji Just one small stroke produces a completely different meaning, often with embarrassing results. And as you learn increasing numbers of kanji, it can become more and more difficult to remember them correctly without some form of memory aid. If this sounds familiar, this book is for YOU!</p>	\$42.95	\$31.00
<p>Let's Learn Japanese- Basic Conversation Skills II Lessons 14 to 26 of a series of 52 lessons. Based on a short conversation course broadcast over the radio, the emphasis is on practical conversation. Each lesson contains a transcript of a conversation for which vocabulary lists, practise drills, and explanatory notes are provided. Conversations include <i>in the coffee shop</i> and visiting friends, which gets the student used to honorific. PLUS Let's Learn Japanese- Basic Conversation Skills II 3 Cassette Tapes (60/60/75 min) These tapes contain the conversation course around which the <i>Let's Learn Japanese</i> textbook is based. Emphasis is on practical conversation and pronunciation, making</p>	\$150.00	\$120.00

these tapes ideal for beginners who want to use their Japanese in real life situations		
Let's Learn Japanese- Basic Conversation Skills III Structured in the same way as the previous <i>Basic Conversation</i> book, it takes the student through even more practical situations including booking a hotel and talking on the telephone, which introduces more language that is encountered in business situations. There are reviews to make sure you are up to speed. PLUS Let's Learn Japanese- Basic Conversation Skills III 3 Cassette Tapes To be used alongside the <i>Let's Learn Japanese</i> textbook to improve aural skills and pronunciation.	\$150.00	\$120.00
Let's Learn Japanese- Basic Conversation Skills IV The last series of conversations based on the radio conversation course. The students are exposed to television programmes and finish off with a farewell party, expanding the contact with more colloquial Japanese. Again, each conversation has with it a vocabulary list, practice drills, and explanatory notes.	\$40.00	\$30.00
Let's Learn Japanese- Basic I, Volume 2 A series of lessons for beginners based around skits from the television series <i>Let's Learn Japanese</i> . There is a transcript of each skit, around which each lesson is based. Each lesson contains a new expression to be memorised, a list of new vocabulary, explanations on the usage of new words/ phrases, exercises, new hiragana for memorisation, and cultural notes.	\$55.95	\$45.00
Let's Learn Japanese- Basic I, Volume 3 Structured exactly the same as the previous volume, this book continues to take the student through the skits from the television series. Lessons in hiragana are continued, and there are handy appendices of verb and adjective inflections. Both volumes contain an index to the words and phrases to be memorised for the student to refer back to.	\$55.95	\$45.00
