SECONDARY/ADULT:

26 Steps

Students use the model passages based on popular subjects in this book and change them according to specific short, non – technical instructions called steps. For example: *Rewrite the entire passage changing the words last year to every year in sentence 1.* The result for each student is a folio of good looking, full – sized compositions that are 90 – 100% correct in paragraph form, grammar , sentence structure, vocabulary and mechanics.

Special \$19.95

100 Model Compositions

This book consists of 100 model compositions, covering a rich variety of composition types: descriptive, narrative, argumentative, imaginative, letters writing and situational and picture topics.

Special \$19.95

30 Worksheets on Usage

30 Worksheet on Usage puts common usage problems in focus, and includes worksheets on major areas of usage for which students at secondary levels may need clarification and consolidation.

Special \$14.95

A-Z Grammar for Advanced Students

This new, authoritative and up-to-date Grammar is full of insights about the way the English language works.

\$19.99

A-Z English

Arranged alphabetically for quick, easy reference, and presented in a small format to keep by you, it will answer all those questions on English usage that you didn't dare to ask before!

Special \$9.95

Advanced Writing skills

Advanced Writing Skills incorporates new concepts for teaching students writing at an advanced level. Language is treated under the three headings of functions, topic notions and grammar, with the aim of training the students to express themselves clearly and accurately, particularly in writing.

\$29.10

Advanced English

This book gives the student extra practice in some of the most important problems in English. It practices some important grammar in a practical way, and also includes exercises on 'every day' English. There are also some exercises which are just for fun !

\$16.75

Advanced English Practice

Advanced English Practice provides a wide choice of language material for students preparing for the Cambridge Proficiency examination, or working at an equivalent level in universities or language schools. Its aim is to focus on areas of English with which students are mostly familiar, but need additional practice and reinforcement.

\$39.95

The Advanced Grammar Book

\$40.90

Each of the fifteen chapters in this advanced grammar text center on a grammatical structure and a specific theme. The chapters present sophisticated analyses of each structure, usually in chart form, and feature a variety of written and oral exercises utilizing the structures. Wide variety of thematic topic (such as marriage, American culture, and making choices) enhances student interest and provides a basis for using the structures in context.

Advanced Writing Skills

\$29.10

Incorporates new concepts for teaching students writing at an advanced level. Language is treated under the three headings of functions, topic notions and grammar, with the aim of training the students to express themselves clearly and accurately, particularly in writing.

Analyzing the Grammar of English

\$42.50

This comprehensive textbook presents a descriptive analysis of the indispensable elements of English grammar in eight equal – length chapters. Written for prospective teachers of ESOL, upper- division undergraduates in linguistics analysis courses, and advanced ESOL students, the authors assume only that the student user reads English and possesses at least an advanced understanding of the spoken language.

Articles etc. Through Pictures

Special \$15.00

Often a student will understand a particular grammatical unit best when its meaning is provided through pictures. In this book each grammatical form is taught through the use of clearly illustrated cartoon drawings.

Aspects of Language

\$21.20

Aspects of Language is designed to help middle secondary students explore many of the types of writing, literary devices and critical thinking skills that are so important to their English studies.

Avoiding Common Errors

Special \$10.00

The book contains a collection of language errors taken from the written work of students and the Cambridge 'O' Level reports. This practical and lively book provides an overview of grammar and shows succinctly all the common errors in grammar, punctuation, vocabulary and spelling which students often make. Exercises are given for each concept explained to further reinforce understanding.

Basic English Grammar: A Student Guide

\$19.95

This is a handy reference book for students and teachers of English. Presented in an easy to use format, the book moves through the fundamentals of English grammar, progressively leading the reader into clear models for speaking and writing English.

Basic English Grammar **\$51.95**

This book remains a developmental skills text for students of English as a second or foreign language. Serving as both a reference and a workbook, it introduces students to the form, meaning and usage of basic structures in English. It provides ample opportunities for practice through extensive and varied exercises leading to communicative activities.

Basic English Grammar: Exercises Special **\$11.75**

A Basic English Grammar: Exercises provides simple, systematic grammar practice for students from beginner to intermediate level. It includes over 150 contextualized exercises covering all the major structures of English, and many lively illustrations. It can be used in a classroom or for self-study.

Basic Grammar Facts **Special \$10.00**

This text is a handy reference guide for any student or teacher of grammar! It focuses on: parts of speech, types of sentences, punctuation, rules to remember, similar and different words, figures of speech, common abbreviations and mistakes to avoid.

Basic Grammar for Writing **Special \$15.00**

The formal teaching of English grammar is giving way to a new functional approach that makes grammar understandable as well as useful. The emphasis has shifted away from the rote learning of a multitude of rules to a grasp for the grammar that underlies clear and forceful writing. This book uses this new approach to develop students' grammar skills to enable them to write correctly and fluently for a variety of contexts.

Basic Grammar in Many Voices **\$52.58**

The goal of this book is to help the student develop an understanding of the fundamental rules underlying English grammar. They will learn to identify word classes such as nouns, verbs, and adjectives, and see how these words are combined in English sentences to make meaning.

Basic Grammar in Use **\$29.50**

Basic Grammar in Use is a unique combination of reference grammar and practice book, concentrating on the grammar problems encountered by beginning and low intermediate students. It can be used as a classroom text, a reference, or for self-study.

Basic Writing Skills in English: Student's Book **\$15.60**

This is an elementary course in simple, continuous writing in English. It requires an elementary level of general English and is designed for students in secondary schools, in further and higher education, and for adult learners. The topics of the nine units have been carefully selected on the basis of student experience and student interest. The overall aim of the course is to enable students to develop skills to write English in a clear and fluent style which is suited to the purpose and content of the particular piece of writing.

Basic Writing Skills in English: Workbook **\$5.55**

The Workbook accompanies the Student's book and provides copies of all forms, questionnaires, tables of information and letters which students are required to complete. It also provides copies of long or particularly important exercises and space for a fair copy of the student's own writing.

Teacher's Handbook **\$13.40**

Basic Writing Guide **\$5.50**

The *Basic Writing Guide* presents a helpful summary of skills such as how to speed study, improve understanding and organize notes to make memorizing easy.

Beginning Composition Through Pictures **\$26.95**

This text provides practice in composition for elementary students and a stimulating variety of short picture stories for narrative practice, as well as maps and pictures giving practice in describing and comparing things.

Better English **\$6.65**

These workbooks are written to enhance the pupils' and proficiency of the English language. Efforts have been made to include extra features to stimulate the pupils' interest in learning English and to make the process more enjoyable and enlightening

Better ways with Verbs **\$13.40**

Verbs are vital elements in daily communication, and the verbs you choose to use can make the difference between good and bad speech, and good and bad writing. *Better ways with Verbs* will guide the teacher towards a more concise knowledge of verbs and their appropriate usage in specific situations.

Breakthroughs in Writing and Language Exercise Book **\$27.94**

This book has been designed to complement the Breakthrough series. This additional practice and reinforcement will ensure a strong foundation for students who need further critical thinking and skill development before working with higher level study materials. Each exercise book contains an abundance of practice along with complete answers and explanations. For easy use and reference, the books are also correlated in content and organization to Contemporary's Breakthroughs texts. A post-test provided to evaluate student's readiness for higher-level study.

Building Better English Grammar **\$20.10**

This book is an excellent reference for revising the most important aspects of English Grammar. It contains detailed explanations of important grammatical constructions along with useful practice exercises related to each of these. Answers to each exercise are given in the enclosed key. The book also provides a discussion of common difficulties Hong Kong students encounter when using the English Language. A practical guide to common verbal patterns is included in the appendices. It is a convenient guide for classroom use as well as for individual students working on their own to improve their English grammar.

Building English Sentences with Two Verbs **Special \$17.00**

This series of books is designed to give oral and written practice on the basic sentence patterns of English. It also shows the ways in which basic patterns can be combined into longer sentences. By pointing out similarities of structure, it should help prevent students of English from getting lost in a syntactic maze.

The Cambridge Grammar of the English Language **\$399.00**

This is a detailed grammar designed for anyone with a serious interest in the grammatical structure of the English language, especially those who have not previously studied linguistics. It provided clear explanations of all the grammatical terms and concepts used, including cross references, diagrams and more.

Check your English **\$20.10**

This is a study aid for students who are about to sit for their Hong Kong Certificate in English Examination. The detailed explanations of grammar issues, together with the large number of exercises allow students to evaluate their weaknesses and rectify their errors whilst gaining the skills needed to pass the new-format examinations.

An excellent investment!

Check your English 1 A Four-Skills Grammar Practice Book

These resources provide grammar reinforcements for intermediate students. They are an ideal accompaniment for any major coursebook. They are divided into 20 units which focus on those grammatical areas which need revision and further practice. The units can be used in any order both in class or and by the learner working alone and the cassette/s provide/s contextual backup for the practice exercises.

Sold only as sets:

Student's Book1/Teacher's Book Cassettes (2) **\$73.00/set**

Student's Book2/Teacher's Book Cassettes (1) **\$60.00/set**

Certificate Writing Practice **\$20.85**

The book covers a rich variety of topics: argumentative, expository, imaginative, letter-writing, narrative and speech. In each essay, keyboards, vocabulary and useful expressions are left blank. Readers are encouraged to fill in the blanks with the help of the Chinese explanation and the first letter given as hints.

Common Errors in English Language **SPECIAL \$15.00**

The main purpose of this book is to teach students how to avoid the more common technical errors to which reference is often made in examiners' reports and for which heavy penalty is sometimes exacted. The book should also prove useful to the general student who, without any particular examination in mind, is striving to acquire a feeling for sentence structure and variation and to express himself in intelligible English with a reasonable degree of correctness.

Commonly used Expressions for Matriculation and Certificate Compositions **\$20.10**

This book is designed to help students come up with ideas and suitable diction to express themselves. It has numerous individual sentences about a common topic. Thus they bring out a wide range of useful expressions and vocabulary relevant to the topic and show how they are correctly used.
