

PRIVATE COLLECTORS SALE!

Hello fellow Dr.Who Fans.

The end of time (in Australia) is approaching for me.

I am moving to a strange place that is filled with lots of Aliens (the U.S) and need to sell what you will see in the following pages. I wish to sell all of my items before January 23rd at the latest. I haven't put all of this stuff on ebay yet because it takes a lot of time – something I don't have (since I unfortunately am not in possession of a Tardis).

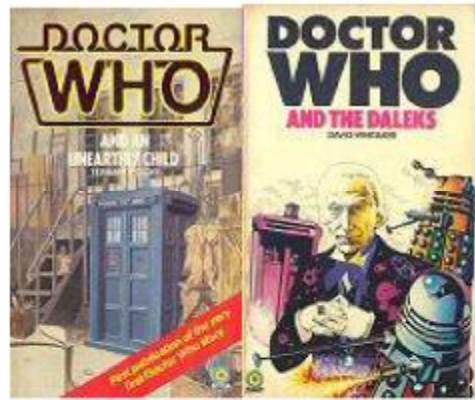

Ideally, I would love to sell things in bulk – like target books (approx 100), fanzines, annuals, other books... no offer will be ignored – I NEED TO SELL.

Please email doctorwhoforsale@gmail.com with questions, offers etc. Some items may be sold so hurry and email to ask if items r still available.

Pickup is possible – Padstow NSW. Payment Cash or Direct Deposit. Email for postage.

Please excuse the arrangement of the files – I lost the original template I made, so I had to piece together elements from a pdf...

Thanks.
