WHY CHOOSE CRANBOURNE?

Why travel out of town to visit your loved ones when they can be close by? Cranbourne cemetery is small, well maintained, close to public transport and within walking distance of the heart of town. The gates are always open so you can visit at whatever time suits you. Cranbourne cemetery has been serving the needs of the local population for over 150 years and will continue to do so well into the future.

BURIALS

We offer a choice of denominational monumental areas (Church of England, Roman Catholic, Presbyterian & Uniting) as well as non-denominational lawn graves (plaques only) or monumental lawn graves. There is also an infant's lawn area.

CREMATED REMAINS

Cremated remains can be placed in a niche wall, in the rose garden or at the base of a tree or shrub.

All sites are perpetual, which means remains placed there stay there forever and you will never be asked to pay again.

RESERVATIONS (PRE-PAID)

Cemetery sites can be reserved, ensuring you get the site of your choice when you need it.

By reserving and paying for a site now, you will receive a 15% discount on the normal cost, as well as avoid any future price increases.

The following fee schedule is correct at the time of printing (April 2006) but subject to change without notice. Please contact the cemetery for a full explanation of the options available and costs involved.
