APRIL 2010

THE ART OF PLANT EVOLUTION
Shirley Sherwood & W John Kress

The latest selection of botanical art from the world's foremost contemporary collector. Big book. Some of the art is new to publication, some has appeared in her earlier anthologies, all of it is very beautiful. This time it is formatted, by a leading international botanist, around the evolution of plants. **DUE APRIL**

CLIVIA: NATURE AND NURTURE
Swanevelder, Dirk & Roger Fisher

A couple of South African experts write about this highly popular plant. Plenty of photos and information here about their natural habitat, cultivation in the garden, the natural species and the better-known cultivars. For the layman.

 220pp col photos thru laminated
 hardcover **\$59.95 DUE APRIL**

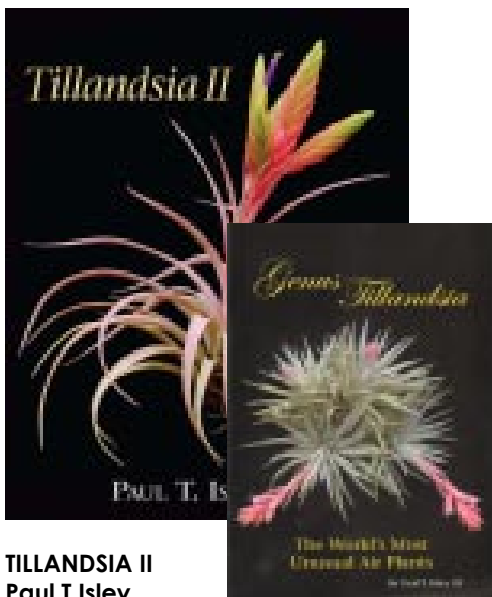

NATURAL SWIMMING POOLS: A GUIDE FOR BUILDING

Michael Littlewood

The 'how-to' book with practical instructions and technical drawings as well as inspirational photos. Seems a natural for Australia, except for those bloody pool fences we have to have. Also available, a booklet on **Natural Swimming Pools: Converting the Conventional Pool** for \$24.95.
