

The NSWFB Firefighting has been preparing a long term CFBT program based on the knowledge gained by research and study in Sweden and the UK and the results of networking with a number of leading Fire Brigades and experts around the world. These include,

Swedish Fire & Rescue Services - Sando
Cornwall County Fire & Rescue - UK
Devon Fire & Rescue - UK
Paul Grimwood - UK
Shan Raffel - QFRS
Country Fire Service - South Australia

S/O John McDonough is the driving force behind the program. John studied CFBT in both Sweden (Sando National Fire Rescue College) and the UK (Cornwall and Devon County Brigades) during 2002. The areas of particular interest being it's implementation and the development of a lasting and evolving program that concentrates on real change on the fire ground. Formerly of 59 Stn 'C' Plt.

John has a sound operational background, having a vast amount of experience in all facets of firefighting and rescue situations.

He is supported by a dedicated group of trainers.
