

Can it be?

Why die for me?
Sacrifice yourself for sin?
Angels long to solve this
The everlasting dies for me

*The maker of the world
Jesus, yours is the eternal glory,
Jesus, how can it be?
The Son for God would die for me!*

You are love eternal
Left your Father's house for earth
Lost, my life should perish
Amazing love you rescued me

*The maker of the world
Jesus, yours is the eternal glory,
Jesus, how can it be?
The Son for God would die for me!*

Lord, all fear is cured
Death no longer binds my heart
Chained once to darkness
Now I am secure in your arms

*The maker of the world
Jesus, yours is the eternal glory,
Jesus, how can it be?
The Son for God would die for me!*
