

Freedom Comes

Tell me why, why are we fearful?
Perfect love is the end of all fear
We are loved, so perfectly graced
Forgiven and free

Tell me why do we feel guilty
When his grace is sufficient for all?
We are graced, overwhelmingly
loved
Forgiven and free

*Freedom comes, freedom comes
Freedom comes to unburden my
heart
And lighten my soul
Freedom comes, freedom comes
Freedom comes in mercy and grace
and love*

Tell me why, why are we hiding?
Love and grace has come to us all
We are loved, unconditionally graced
Unmerited, free

*Freedom comes, freedom comes
Freedom comes to unburden my
heart
And lighten my soul
Freedom comes, freedom comes
Freedom comes in mercy and grace
and love*
