

## **What can I say?**

What can I say? What can I do?  
This gift of love because of you  
For grace and mercy, love and peace  
You have poured it out on all

You pour your love into my soul  
You heal my fears, you make me whole  
And now forgiven, now restored  
As you pour this love on all

How could it be that one so flawed  
Could be so loved and so adored  
That you would come to show this love  
And to pour it out on all

Let angels bow in heaven's halls  
Let all creation hush in awe  
For God has come, mankind restored  
And to pour his love on all
